Mayor Proclaims September 13-19, 2020 as Assisted Living Week in Seguin

SEGUIN, Texas – On Thursday, September 17, City of Seguin Mayor Don Keil presented a proclamation at Argent Court Assisted Living to declare the week of September 13-19, 2020 as Assisted Living Week in the City of Seguin.

In 1995, the National Center for Assisted Living established National Assisted Living Week® to honor the contributions of assisted living communities in providing long term care to America's seniors and individuals with disabilities.

During this special week, Mayor Keil encourages citizens to learn more about how assisted living services benefit Seguin.

Mayor Keil, left, is pictured presenting the proclamation to Bea Sistos, right, Administrator at Argent Court.
